

10 YEAR LIMITED WARRANTY

Renewable Energy Holdings, LLC (“REH”) warrants to the original purchaser (“Purchaser”) of products that it manufactures (“Product”) at the original installation site that the Product shall be free from defects in material and workmanship for a period of ten (10) years, from the earlier of 1) the date the installation of the Product is completed, or 2) thirty days after the purchase of the Product by the original Purchaser.

This Warranty shall be VOID if installation of the Product is not performed in accordance with REH’s written installation instructions, or if the Product has been modified, repaired, or reworked in a manner not previously authorized by REH IN WRITING, or if the Product is installed in an environment for which it was not designed. REH shall not be liable for consequential, contingent or incidental damages arising out of the use of the Product by Purchaser under any circumstances

If within the specified Warranty periods the Product shall be reasonably proven to be defective, then REH shall repair or replace the defective Product, or any part thereof, in REH’s sole discretion. Such repair or replacement shall completely satisfy and discharge all of REH’s liability with respect to this limited Warranty. Under no circumstances shall REH be liable for special, indirect or consequential damages arising out of or related to use by Purchaser of the Product. Manufacturers of related items, such as PV modules and flashings, may provide written warranties of their own. REH’s limited warranty covers only its Product, and not any related items.
